Issued by the German Shepherd Dog Federation of South Africa to dogs bred under its jurisdiction that are eligible for registration in the Breed Book. The document is issued without alterations and the signature of the registrar and the official registration stamp below certifies the correctness of the particulars contained in this document and that the Breed Book is maintained at a level at least equal to international norms. Except for the transfer of ownership on the back of this document, any alteration, endorsement or addition that is not authorized by the Breed Book Registrar of the Federation and accompanied by an official stamp will render the entire document invalid. Registration on the Breed Book does not imply that progeny from this dog will automatically be registered on the Breed book, as parents of puppies eligible for registration on the Breed Book have to comply in addition to being registered on the Breed Book themselves, with certain prescribed minimum norms before they may be bred from. Please refer to the website for minimum requirements.
